

INCLUSIVITY

Every student in this classroom, regardless of personal history or identity categories, is a valued member of this group. Our experiences are valuable and important, and please share them as they are relevant to our course. No student in this class is ever expected or believed to speak for all members of a group. Who we are isn't defined by records or names or bureaucracies, so if you prefer a name or a pronoun other than the one listed/suggested, please let me know.

Please contact me if you encounter any aspects of instruction, subject matter, or classroom environment that inhibit your full participation.
